

Sharing Progress
in Cancer Care

SPCC Webinar Series

Breast Cancer Highlights

from Major Oncology Congresses

May-December 2022

Sharing Progress
in Cancer Care

BACKGROUND

Due to the results of the 2021 Webinar Series (380 participants from 44 countries) SPCC is pleased to propose again in 2022 the initiative "**Breast Cancer Highlights from Major Congresses**".

An international faculty of world-renowned experts will be involved and will extract breast cancer treatment highlights discussed during the most important congresses in the field.

LEARNING OBJECTIVES

- To raise awareness about the latest developments in breast cancer
- To present guidelines of breast cancer care
- To allow the audience to send live questions to the experts

TARGET GROUP

Medical Oncologists – Radiation Oncologists – Breast Radiologists – Onco-geneticists – Oncology Nurses – Patient Advocates.

TOPICS

- Early Breast Cancer
- Advanced Breast Cancer
